

# THE Endeavour Experience

WHITBY

## WELCOME TO THE ENDEAVOUR EXPERIENCE

Your customers can climb aboard and experience two decks of interactive features and displays that will help them imagine what life was like for the 95 crew members during the three-year voyage. This 33m long, 9m wide ship permanently based in Whitby harbour provides an exciting, interactive fun day out for all ages and includes a well-stocked gift shop and 60 seat café serving light snacks and refreshments.

The Endeavour Experience is open daily from 10am – 5pm (last admission 4pm). Catering packages are available. On average it will take each guest approximately 1.5 hours to tour the attraction and have a bite to eat in The Orlop Café.

## A LITTLE BIT ABOUT WHITBY

Whitby is a quaint traditional seaside town set in the North York Moors National Park. An area steeped in history, including the 7th century Whitby Abbey, fishing and jet industries, Bram Stoker and Dracula (the town features heavily in the novel) and of course most famously, Captain Cook and the HM Bark Endeavour which was built in Whitby harbour in 1764.

Whitby also boasts amazing Blue Flag beaches, traditional donkey rides, amusements and much more.

## LOCATION

Situated on the East coast Whitby is close to major towns and cities:
